Students may only be absent from a final exam and/or eligible to make up a final exam in cases of personal illness (a doctor's note will be required), death in the family, state-approved religious observance, or other extenuating circumstances approved in advance by the building principal. Documentation will be required for all absences.

School Closings During Finals

If school is closed during finals, the exams scheduled the day school is closed will be given on the day we return to school. For example, if school is closed on a Tuesday and students return to school on Wednesday, then they would take the exams originally scheduled for Tuesday.
